

Spring Flower Coaster

By Jen Lucas

Spring will be here before we know it, so let's liven up our homes with a spring flower. This coaster is perfect not only for bringing a little happiness to our stitchy spots (you know the spot – it's the place in your home where all the knitting, crochet, and other craftiness happens) but also for practicing duplicate stitch! Once complete, you'll have a cute and functional project that can brighten each morning when you use it for your morning toasty beverage of choice.

Instructions

Using Long Tail Cast On and MC, CO 25 sts.

Beginning Garter Stitch Border:

Rows 1 (WS) – 5: Sl1 wyif, knit to end.

Stockinette Stitch Center:

Row 1 (RS): Sl1 wyif, k3, sl1, wyib, k15, sl1 wyib, k4.

Row 2 (WS): Sl1 wyif, k3, p17, k4.

Rows 3 – 8: Rep Rows 1 & 2 another 3 times.

Row 9: Sl1 wyif, k3, sl1 wyib, k8, place locking stitch marked through last stitch worked (this is the marked stitch on the duplicate stitch chart), k7, sl1 wyib, k4.

Row 10: Rep Row 2.

Rows 11 - 24 : Rep Rows 1 & 2 another 7 times.

Row 25: Rep Row 1.

Ending Garter Stitch Border:

Rows 1 (WS) – 5: Sl1 wyif, knit to end.

Bind off all sts and weave in ends on coaster. Lightly steam block, if desired, to even out stitches to prepare for duplicate stitch.

Duplicate Stitch Flower:

Using lengths of yarn no longer than 24" [61 cm], start with CC1 and work first duplicate stitch over marked stitch. Continue working duplicate stitch following the flower chart, using CC1 for the flower and CC2 for the leaves and stem.

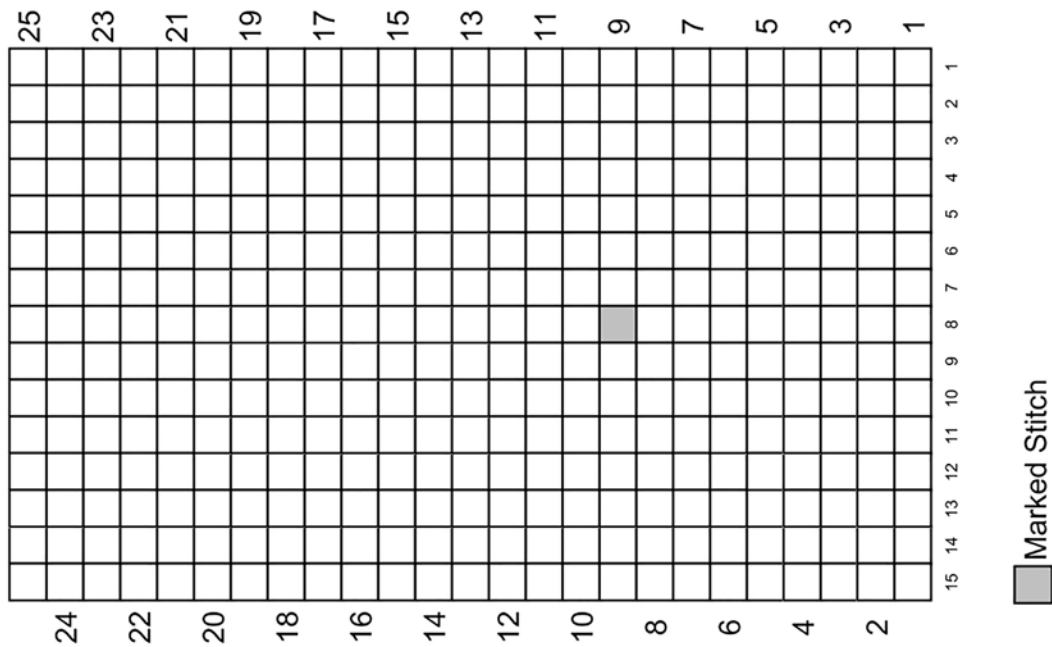

Weave in ends of duplicate stitch as you go to help keep the back of your work neat.

In addition to the Flower Chart, another blank chart is provided with the marked stitch noted on it. Each square on the chart represents one stitch in the center Stockinette stitch portion of the coaster. Remember – knitting stitches aren't square, so you'll need to take that into account when designing your own duplicate stitch pattern.

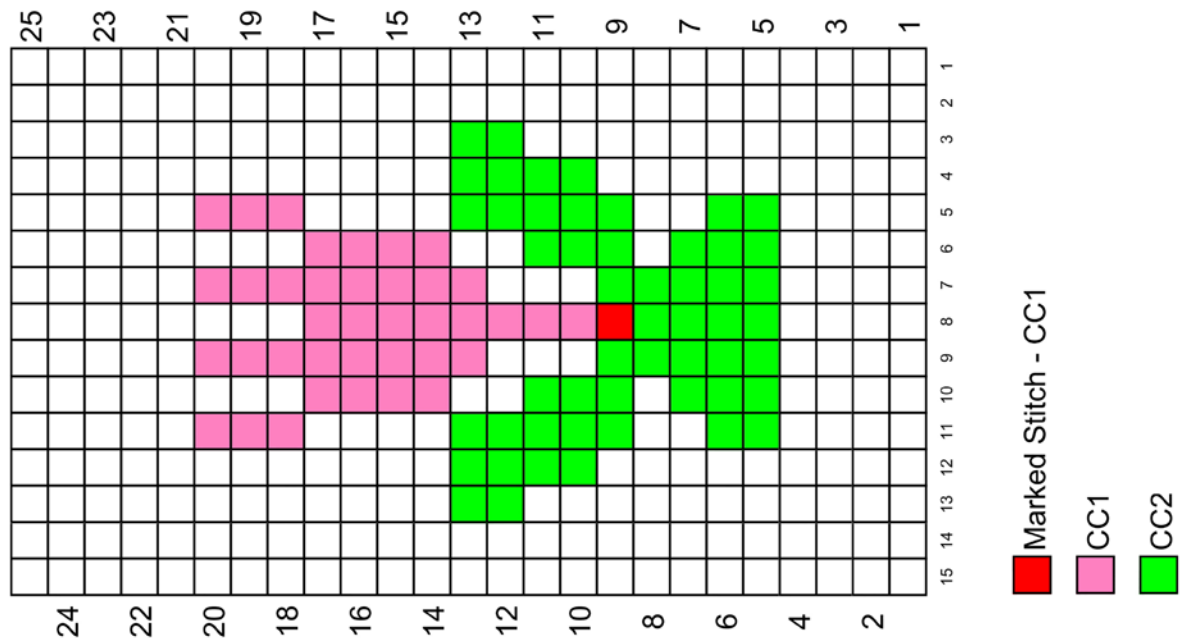

Finishing

Weave in any remaining ends. Steam block lightly if desired. Enjoy your handiwork!
